

Dear Mr. Snow:

OCT 03 1997

I am deeply concerned about the Bay-Delta and the rivers, streams, and land making up its watershed. The Bay-Delta matters to me, personally, because

WITHOUT ~~WATER~~ QUALITY AND QUANTITY WATER,
CA ECONOMY IS RUINED. WE CAN'T AFFORD BAD DECISIONS

I urge you to ensure that CalFed chooses a Bay-Delta solution that

- * restores the ecosystem from the Sierra to the Sea, including vibrant populations of wild fish and the freshwater flows to sustain them, and
- * makes the most of the water we have, with maximum conservation and recycling on farms and in cities.

Thank you,
